"There is no end to the amazing, emotional stories of how pets change our lives," said Petco Love President, Susanne Kogut. "Through Petco Love Stories, we aim to highlight these remarkable bonds and create a platform where pet parents can share their stories while making a positive impact on the lives of animals in need."

"In these trying times when so many animals are without homes, it is important to call out the success stories of the pets in rescues/shelters who were adopted and now have loving families," said Jonnie Craig with BullyWag, Inc.

"We want our adopters to share their love stories to hopefully encourage pet adoption and give us a chance to win an investment from Petco Love, so we can continue our lifesaving mission."

Submissions for Petco Love Stories are open to individuals 18 years and older, or those who have parental consent to share their story. In 500 words or less, please share your love story and photos of you and your adopted pet. Submit your story starting September 13, 2023, [here](#). Submissions close on October 31, 2023.
